Public Meeting

LANDSCAPING EAST WOODLANDS

7.30pm Wednesday 27 May

Ashley Street School

This meeting is being called to discuss our plans to clean up empty land in East Woodlands and provide temporary landscaping until the land is built on.

We will be giving details of the 36 jobs which are available on the project. If you want to discuss either of these, please come to the meeting or contact us direct.

LOOKING FOR AN OFFICE

The Trust has some spare office space for rent on the second floor at 7 Lynedoch Street.

Three offices are available. Two are each 190 sq ft in area and a third is about 140 sq ft. The rent will be about £1,000 pa for each of the large rooms and £600 pa for the small room. Rates, insurance etc would have to be added. Tenants will have shared use of a conference room, kitchen and toilets and access to photocopying and other facilities if needed.

The offices are suitable for a small professional firm or a voluntary community organisation. Contact us if you need any further information.

WORKING IN THE DARK

Britoil PLC, the Glasgow based oil company, are helping the Trust to record the renewal of Woodlands.

Britoil's newly formed charitable trust has given the Woodlands Trust a donation of £500 towards the cost of building a photographic darkroom in their offices. Britoil have given the Trust computer advice and other assistance since it was established.

The darkroom facility will be available to other community groups in Woodlands. It will supplement the meeting room and photocopying service which the Trust already offers to other local community groups.
